Why towards election time?

ALL that you are about to read below has been proven to be false by independent sources.

This is Dictator Museveni's scare tactic he still wants implant in Ugandans that Moslem extremist are staging a come back to terrorize them, yet he is the one exactly that on our fellow Ugandans. By doing this he hopes to partition Baganda who now view him as a monster, along religious lines, Baganda Catholics against Baganda Muslims, against Baganda Protestants. **Please don't fall for this crap this time,**

Contrary to general belief that ADF rebels were defeated, they are still active in DR Congo and have established urban terror networks inside Uganda. Before the July 11 twin terror attacks in Kampala, intelligence had been tracking and arresting ADF operatives in various parts of the country. We bring you case by case details.

- After school, he learnt carpentry in Iganga town council in 1982-1995 at Byekwaso Furniture Mart on Plot 02, Old Kaliro Road. The said workshop belonged to his late father.
- In 1995 in the run to his first arrest, he was a close confidant to ADF recruiters based in Iganga, Mpaulo Muhammed and Nkumachina Abduswabur (RIP) and was arrested on suspicion of being the head of Buseruka attack, incarcerated in Luzira Prison where he met Muzafali Muhindo, Muganura Idrisa, Mustafa Ssewankambo, Ismael Ntale Maguib Saali and others who had been in Luzira over terrorism.

- Among other tasks, he was assigned by Jamil Mukulu to distribute tapes laden with jihad ideology and he got 42 tapes from Kampala but due to security clampdown on him, he was not able to distribute them but passed them on to one Hatwib Jowali to distribute as he went on flight to the Buvuma Islands.
- Following the death of Mugoya Musa, subject took up recruitment on recommendation by Mark Matovu and concert with Kisambira Masoudi, he took up the assignment.

- That between 2006 and 2007, he took 12 recruits, taking 02 per going. Some of those he took include Muhammed from Iganga, Abdu Rashid from Wanale, Nasur Din, Maama Noor and her son Noor, and the others were brought by Kisambira Masoudi.
- As a way of procedure, recruits would come from village coordinated by local coordinators (Amirs) to Adam Din who in turn would pass them on to Kisambira Masoudi. The recruits would come on Saturday and Sunday, down to Kampala by Monday and then on Tuesday which is a market day in Kasindi and then cross to Congo.
- That around Jan 07, Sam Kalyango introduced Hamza Yasir Ivan to the subject at his home in Iganga. He was working on instructions from Mark Matovu. That Yasin kept on financing the recruitment until his (Hamza' s) arrest.
- That in Oct 07, Jamil Mukulu sent a mobile phone through Mark Matovu but delivered by an unknown lady to subject's wife Amina in Iganga. The said phone was loaded with a SafariCom line. Observations

4. Owing to the above revelations, it's incumbent to note that;
 - The subject is a hardcore ADF operative so entrenched that he cannot denounce rebellion. This is evident when one of the security services contacted him for his services but he was adamant in giving intelligence in relation to ADF. He says he derives his livelihood from ADF both for subsistence and security.
 - b. He is an active recruiter who has had several recruits to his sleeve. His recruitment drives are monumental and testimonial. He has been working in concert with Masoudi Kisambira (once arrested and released), Sam Kalyango (still at large) and Hamza Yasir Ivan (arrested).

- c. He is very close to Jamil Mukulu both in conviction and by way of marriage. In marriage circles, his second wife is a blood relative to Sumaisha who is a girlfriend to Jamil Mukulu. This further makes the bond so strong.

- d. He is known to and has been coordinating with notorious ADF macho men. These include; Sam Kalyango, Hamza Yasir, Kisambira Masoudi, Bwambale, Sulait etc.

Recommendations

5. The subject should be prosecuted in courts of law for recruiting for a subversive armed group and be charged with treason. However, Operations should;
 - Have all those mentioned by the subject as his accomplices tracked down and subsequently arrested for interrogation.
 - Kisambira Masoudi should be rearrested and jointly be charged with the subject.
 - Kamanda Haruna of Iganga should be arrested since the subject reveals that he can lead us to Jowali Hatwib.
6. Forwarded.
