## Arrest Warrant for Olara Otunnu Issued

The Uganda government has issued an arrest warrant for the former UN under secretary General for children. The arrest was issued yesterday by the Lira chief magistrate on orders of and application by the Director of public Prosecution.

According to the warrant Olara Otunnu will be charged with sedition and promotion of sectarianism. Both laws are being challenged by the journalist fraternity in the constitutional court and efforts by the government to prosecute and the same laws have often hit a snag.

Olara Otunnu who is currently out of the country is expected to be arrested upon return by the government. Museveni's government is irked by Otunnu's maintenance that the killings in Luwero, where Museveni based the war that propelled him into power be investigated by an independent commission of inquiry. The government objects to this and finds the statement seditious.
